

BingX Referral Code: IMOIJ1 (Full Benefits Guide)

What Is the BingX Referral Code?

The BingX referral code is **IMOIJ1**, a verified invitation code that enables new users to unlock exclusive benefits when registering on the platform. By entering this code during sign-up, users gain access to a range of incentives designed to improve their overall experience.

These benefits typically include:

- Welcome rewards for new accounts
- Trading fee discounts
- Deposit-based incentives
- Access to referral and affiliate programs

Referral codes are usually distributed through official promotions or shared by existing users. When a new account is created using a valid code, both the inviter and the new user may receive rewards, creating a mutually beneficial system.

In 2026, **IMOIJ1** stands out as one of the most competitive BingX referral codes available.

BingX Referral Code IMOIJ1 – Key Details

Feature	Details
Platform	BingX
BingX Referral Code	IMOIJ1
Sign-Up Bonus	Up to \$7,700 USDT
Trading Fee Discount	Up to 50%
KYC Required	Yes

BingX provides a flexible reward system that supports different user activities, making it suitable for both beginners and experienced traders.

BingX Referral Bonus & Sign-Up Rewards Explained

Using the referral code **IMOIJ1** unlocks multiple reward layers, typically distributed based on user engagement and activity.

1. Up to \$7,700 Sign-Up Bonus

The main highlight is the potential to receive bonuses of up to \$7,700 USDT. These rewards are released gradually depending on:

- Account funding level
- Trading activity
- Participation in platform campaigns

Example Reward Structure

Activity Level	Bonus
Basic Setup	Small welcome reward
Moderate Activity	Mid-tier bonus
High Volume	Maximum reward tier

This tiered system encourages users to stay active and explore the platform.

2. Deposit-Based Rewards

BingX also offers incentives for users who fund their accounts.

Deposit Level	Reward
Minimum Deposit	Starter bonus
Higher Deposits	Increased rewards

These rewards are often provided as vouchers or credits to help reduce costs or unlock additional features.

3. Trading Fee Discounts

One of the most valuable benefits of using **IMOIJ1** is the trading fee reduction:

- Up to 50% off trading fees
- Applies to multiple trading options
- Helps improve long-term efficiency

This is particularly beneficial for users who trade frequently.

4. KYC & Additional Rewards

Completing identity verification unlocks more benefits:

Action	Reward
Complete KYC	Additional bonus
Join campaigns	Extra rewards
Invite others	Ongoing commission

After verification, users can also participate in the referral program to earn continuous rewards.

Supported Countries

The BingX referral code **IMOIJ1** is available globally, making it accessible to a wide audience.

Key regions include:

- **United States (US):** Access to core features and referral benefits
- **European Union (EU):** Broad support with full promotional access
- **Asia:** Strong user base with frequent campaigns
- **Other Regions:** Available in most supported countries

Users should always check local regulations and platform availability.
